

IS THERE ANYBODY WHO COULD HELP THIS MAN?????

You can contact me: awbrnsma@tpg.com.au (Anne)

John QLD: We still have not had anybody offer to buy our house even though it has been on the Market for some time. Without a job it is hard for us if not impossible to pay our mortgage. Please pray for us that something good might turn up for we have had enough of this bad run especially with pending Court action looming against me in the future. My wife and I enjoy going to our local church together. It is very uplifting for us to feel good for a reason. I would very much like to know what God has planned for me in the future. With uneasy feelings of dread it is hard to generate real joy from day to day. Time drags on even though I am not in jail I sometimes feel that I am still tied to it. Yes it is good to be out on bail. To taste freedom again is very good. To be near my wife again is wonderful, and I pray to the Lord that this freedom will go on for ever. Please pray for us that Gods Mercy will go with us along with His Love and his Grace. I long to feel within me, His Presence and comfort along with the Holy Spirit. I received 2 pamphlets today with a letter from you, thanks very much, this is very thoughtful. Thank you very much for being there for me. It is very heartening to have someone to write to, and just pour out my heart and know that someone is out there listening.

Clint SA: I face court on the 3rd of December and I finish court on the 7th, the day before my birthday. This will definitely be a changing point in my life but I have actually made the choice to change it when I was locked up. 20 months ago my life was out of control and I was going down hill so fast I nearly lost my family in the process but they held in there for me because they knew that deep down I was worth it. And they see a difference in me. Because of jail we had time to reevaluate what I need to do to have a good life and it's been made to happen because of Gods Love for me that I was given time to change. Thank you Lord and thank you Crossroad Bible Institute. I'd like to thank God for Jesus giving His life so I may be forgiven the sins I have committed so that I too may be able to see a light at the end of my tunnel instead of darkness. I give thanks also for Crossroads for helping me through their despondence. Without their studies and support it would have been a harder road to travel. Many questions have been answered in His Word. Without Crossroads and your studies it would have been much harder for me. I thank my family for sticking by me and can't wait to show them through my presence around them that I have changed and know how to live and who to live for. May my life show other people what the Lord has done for me so they may turn their life around and do the same.

TESTIMONIES RECEIVED IN DECEMBER & JANUARY 2013

John NSW: To all CBI markers, Thank you. A POEM FOR YOU:
May "Joy and Peace be God's gift this Christmas"!!
JOY : Experienced with others, it's loud and will bring perfect peace.
PEACE; Experienced with self, it's silent and will bring perfect joy.
Both can bring laughter, yet other times will be expressed in tears.
It's not until one's life is flooded with pain will they both find a purpose.
In fact the depth of ones pain will determine the height of
Joy and Peace that God delivers when we ask.

Joy & Peace, in their lowest form are found in worldly events.
Joy & Peace, in their highest form are found in a spiritual event.
So this Christmas, if you find Joy and Peace have been dented by life,
then ask God for a PIECE of His JOY.....
for then you will experience a peace that endures forever!

" Thank you for taking time to show me Christ's love in your actions! "

Jeremy WA: Thank you Jesus, for the coming Christmas period. You are the reason for the season. Thank you, that you came to help us and save us all! Amen

Pierre NSW: I would like to wish you all a very merry Christmas & a Safe & Happy New Year for 2013. Also a big thank you for everything throughout this course and study. It's time to celebrate the Birth of Our Saviour !! Hallelujah! God Bless You All.....

Michael NSW: I would like to thank you for your encouragement and your dedication to spreading God's Word. Your kind words and your support for a growing Christian is heart warming and humbling. I pray for you and your loved ones through this holiday period and I pray that the Lord rewards you for your work. I am enjoying this course and I find myself renewing my relationship with Jesus more and more and each day. Thank You!

Damien SA: I feel that I have been redeemed by Jesus, God the Father and the Holy Spirit since I gave my life to them 7 months & 2 weeks ago. This has changed my life dramatically for the better.

Johny FIJI: I am so thankful to receive your letter and that you have selected my one favourite song “ Jesus Lover Of My Soul “ as I read through the words of the song, my tears ran down from my face. They were not sad tears but joyful ones because its been almost 10 years that I have heard this song. (On Sunday just when I had read this testimony, we sang this song in Church, that was very moving, Anne) But I Praise God that he directed you my Instructor to restore back to me my full confidence by the words of this song. Your comments and letter will be a great thing for me to share with someone. Finding a sister in Christ like you is a blessing. I truly believe that God brought me into prison here in Fiji Islands, a foreign nation. If not, I would not have come in touch with the Crossroad Bible Institute. I have learnt so many things that I never knew before. I have known the Bible since my young age, reading, carrying it with me but never realised those hidden truths. Now that I have the CBI lessons, that are being sent or handed to me, my eyes were opened to see and learn the way to do things the right way while on this earth. It's true, yes I have found something that will really help me and my family to find the real peace and joy in life. Once again Sister in Christ, May God Bless you.

John VIC: This is my little deed , Gods promise to me that I would like to share with you.....I will be found by you says the Lord

I will end your captivity and restore your fortunes.

I will gather you out of nations where I sent you,

And will bring you home again to your own land.

Jeremiah 29:14

I am going through pain and suffering, I miss my family who are far away in South Africa. I miss them all the time, my heart aches constantly. Please Lord grant me your mercy and grace. Will you forgive me for my selfishness, never let me go Lord ! I never want to be selfish or give in to my desires again! Humble me Lord, let me be compassionate, and act in humility to love others as you do. I want to serve You, keep me in your perfect way and arise me up from my knees. Amen

I ask that you pray for my precious children. That they are loved and protected. Their names are Shannon and Jaqueline. I thank God for blessing me with so much love. And then my eldest daughter Danielle who is not communicating or talking to me. I pray that she doesn't carry a heavy burden and that one day she will forgive me. And Sandra, my wife I ask Him to allow me to return home. I love her deeply, but she is going through some very testing and difficult times without me. I pray she can find Peace and Joy in our Lord . Thank You

Craig NSW: I Thank Almighty God through my Lord and Saviour Jesus Christ, for your truly awesome letter and response to lesson 12. And for bringing such loving, caring and truly blessed people into my life. Thank You Lord Jesus!

It is so obvious to me and it has been throughout the “ Great Truths “ of the Bible and Holy Bible Study that you are all touched by the love, grace, truth and kindness of Almighty God and Jesus Christ. And are being lead by the Holy Spirit to do great works for the Glory of Our Heavenly Father and Lord Jesus .

I have truly been blessed and feel so privileged to have done your Holy Bible Study and been able to share with all of you at C.B.I.

God bless You all. From strength to strength in Our Lord Jesus Christ !! Praise, Honour, all thanks and Glory be to Our Father in Heaven through Jesus Christ Our Lord. Amen. Your loving brother in Christ.

Junior SI: Please would you kindly pray for me upon my release sometime this month. Pray that I can put into practice the things that I have learned all throughout my studies from lesson 1 up to lesson 12. I pray that I can have a strong heart towards what I've learned. Pray that I may really have the courage in becoming a new creation.

Help me pray that I may not ever be a failure again but a successor in God's Word. Lastly, pray that I may have the opportunity for witnessing and experiencing lasting peace within my home, towards my in-laws and towards my church and community as a whole.

It's a great joy and pleasure, learning and studying along side your Institution. I hope fully that if I would become a real converted Christian, everything will be fine. I can feel that I'm being moved by my studies. To the ones I love I can be one person but if I become a Spiritual father I can be the whole world to my sheep. Thank you so much for saving me by giving Jesus to me within your provided studies. Praises be to His Holy Name!

BILL FERRIS (HEAVEN): *Greetings, May the Blessing of our Lord be with you and all is well. This has been a hard letter to write as I will no longer be with you and someone else has posted it. I am with Our Lord, as the kidneys failed & I went down, no second chance. I would like to thank you for being able to do all the lessons. I got a Blessing by doing them - now no more lessons. God Bless you all.*

In God's Arms! Bill Ferris (BILL HAD NO FAMILY HERE)
