

# Small Group Material

## In the Works Series

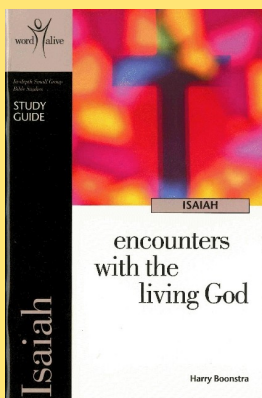

This five-session series explores how Christians can be part of God's mission in the world. Each title includes five inspiring daily readings for each week; five easy-to-use discussion guides (with activities, Bible study, and discussion activities); and follow-up action options to apply the study to real-world life.

## Discover Life Series

The Discover Life Series has four main areas of studies. They are, Getting to Know God; Getting to Know Your Bible; Building Relationships and Building Faith.

Discover Life can be used by any kind of small group, both men, women and mixed, however Discover Life has some material that particularly men may find very beneficial, as well as other material that caters specifically for women. Discover Life also comes in 3 levels, each study having a rating being either Basic, Intermediate or Advanced making it easy to decide which study would be appropriate for where your small group is at.

## Word Alive Series

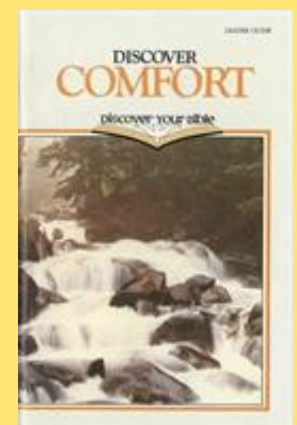

The Word Alive series is the newest line of in depth Bible studies offered by CRCA Resources. Each session in a Word Alive study guide offers a printed copy of the Scripture passage for the lesson; in-depth discussion and comments on the passage; challenging questions for group discussion and application and an adaptable small group session plan that you can custom-fit to the needs of your group. Leader's guides provide additional background, answers to discussion questions, and suggestions for leading your group through each lesson.

## Discover your Bible Series

Discover Your Bible helps everyone - from new believers to mature Christians - discover the richness of God's Word. The Discover Your Bible Series has three main areas of material; Old testament, New Testament and Topical Studies. Discover Your Bible Series specialises in looking at books of the Bible and breaking them down into material that is easy for small groups to work through. Each study has easy to use leaders guides with helpful insights and background information, while the participant guides are easy to follow with simple questions and additional writing space.

The Discover Your Bible Series caters for all types of small groups, men's, women's, couples and mixed. There are also three different levels being Basic, Intermediate and Advanced, with much of the material being newly revised.
